My Favourite Day

25th December is my favourite day of the year because it's Christmas Day. My family like celebrating Christmas together. We all go to my aunt's house on the 24th and we sleep there. On Christmas Day we get up quite early, because my cousins have small children. The children love opening their presents! We have eggs for breakfast. After breakfast we go for a long walk. It's usually very cold, and it sometimes snows! I don't like walking in the snow, but the children love it! When we get home, we cook lunch, and the children play with their toys. We have a big lunch, and then we watch a film on TV. We like watching comedies. In the evening we play games together. We go to bed very late and we're all very happy.

Many people use their phones when ¹ they are walking in the street. This can be very dangerous, especially when they need ² cross a road. Some cities have trams, and these are worse ³ cars because they are quieter. People don't hear ⁴ when they are crossing the tram lines and looking at their phones. In some cities in Germany, ⁵ are now special lights in the ground next to tram crossings. They are similar to traffic lights: they're green when people ⁶ cross safely and red when a tram ⁷ coming. Augsburg and Cologne had these lights first, but now other cities ⁸ also trying to help. In Munich, some tram crossings send ⁹ message when a tram is coming. People with a special app receive ¹⁰ message. Some cities in the USA have talking buses. When the buses are going to turn a corner, they tell people in the street that they are coming. In the city of Chongqing in China, people can choose where they ¹¹ to walk on the pavement: on the side for people with phones or on the side for people without them. The important thing in all these places is that people ¹² safe.
